
GOLF FOUNDATION LADIES COMMITTEE DAY FUNDRAISER

The annual fundraiser for the NSW Golf Federation will be held this year at Ryde-Parramatta Golf Club on **Thursday 5th August, 2010**. 3 lady committee members from clubs all over NSW are invited to participate in a Teams Par Event, with fabulous prizes for scratch and nett, as well as individual events such as longest drive, NTP, etc. The cost is \$100 per head and it is, of course, for an extremely worthy cause. The NSW Golf Foundation assists clubs from all over NSW with financial assistance for equipment and club facilities. If your club would like more information, go to <http://www.nswgolffoundation.org.au>.

THE Royal and Ancient Golf Club in Scotland has announced its **support of the Greg Norman Foundation**, it has been announced on Norman's official website www.shark.com. It becomes the fifth initiative headed by an Open Champion, on the fifth continent, to be financially assisted by The R&A. The Foundation, headed by the two-time Open Champion, endeavours to make professional golf tuition available and affordable for the children of Queensland. Since 1988, it has seen tour winners like **Adam Scott and Karrie Webb come through its ranks**. It has been awarded an initial grant of about \$20,000 for 2010. "As a two-time Open Champion, I am delighted that The R&A have given funding to the Greg Norman Golf Foundation to assist with its programs for boys and girls throughout Queensland, Australia," said Norman. "The Foundation conducts **four to six week golf programs** in schools, runs **junior tournaments** over six, nine and 18 holes, conducts **sports expos**, runs **golf clinics**, visits **indigenous communities** and assists **disabled players**." **PGA Mail - 11 May, 2010**
